EXPLANATIONS

2279788

Each stone is separated from the others by a space.

Single spaced items are all on one stone.

Items on the different faces of a monument are separated by  
a short dash — between the items at the beginning  
of the lines.

Different lots are separated by -----

Family monuments were copied to furnish clues to parentage.

Separate stones belonging to husbands were copied.

The first column contains the names of those bearing the  
surname Clark.
